

Join us! We want to hear from you...

Plumb Lane • Community Workshop #2

The RTC invites you to participate in the 2nd Plumb Lane community workshop to consider conceptual enhancements to Plumb Lane from Ferris Lane to McCarran Boulevard. Three concepts have been developed from comments received at the first community workshop held in August. Concepts include pavement improvement only; bike lanes and shared use path.

Background: All concepts are within the existing right-of-way, but some may require revisions to the existing roadway footprint. The RTC will offer two opportunities for the public to vote on their preferred concepts at 5:30 and 6:30 pm. Results will be shared with the public during the workshop and presented to the RTC Board of Commissioners and Reno City Council in January 2012.

When: **Monday, November 28, 2011**

Time: **4:00 pm to 7:00 pm**

Where: **St. John's Presbyterian Church, Martin Hall
1070 West Plumb Lane - Reno, NV 89509**

Polling: **5:30 and 6:30 pm**

For more information, please call Michele Dennis, PE
RTC Project Manager at (775) 348-0171.
