7.0 LIST OF PREPARERS

Table 7-1 lists the representatives of the agencies and firms responsible for preparation of this EIS, with their project responsibility, education, and experience.

Table 7-1. List of Preparers

Name, Title and Project Responsibility	Education, Registration	Experience
U.S. Department of Transportation, Federal Highway Administration		
Abdelmoez Abdalla, PhD Environmental Program Manager	BS, Soil Science MS, Limnology PhD, Water Quality and Aquatic Ecology	28 years experience in the environmental field
Greg Novak, PE Major Projects Manager	BS, Civil Engineering ME, Civil Engineering	44 years experience in highway engineering and project development
Regional Transportation Commission		
Doug Maloy, PE Project Manager	BS, Civil Engineering Licensed Professional Civil Engineer	25 years civil design and project management
Tom Greco, PE, F. ASCE Senior Transportation Planning Engineer	AA, Business Administration Licensed Professional Civil Engineer	44 years experience in transportation industry, public and private
Michael Moreno Community Outreach Officer		30 years experience in community relations and public outreach. Bilingual in Spanish
Nevada Department of Transportation		
Steve Cooke, PE Chief, Environmental Services	BS, Watershed Science MS, Civil Engineering	34 years experience in civil design and project management
Sabra Gilbert-Young, RPA Native American Consultation Coordinator	BA, Anthropology MA, Anthropology Registered Professional Archaeologist	26 years experience in cultural resource management
John Greene, PLS Noise Specialist	Registered Professional Land Surveyor, Nevada and California Nevada Water Rights Surveyor	Over 30 years experience in civil engineering and 8 years experience performing traffic noise modeling
Chris Young, RPA Environmental Services Supervisor	BA, Anthropology MA, Anthropology Registered Professional Archaeologist	24 years experience in archaeology, cultural resource management, and environmental compliance
Rupali Mohansingh	MS, Civil and Environmental Engineering MS, Chemical Engineering Registered Professional Engineer	14 years experience in Environmental Engineering
Cliff Creger	MA, Anthropology	31 years experience in archaeology and cultural resource management
Elizabeth Dickey	BA, English MS, Historic Preservation	10 years experience in architectural history
Daniel Harms, CEM	BS, Hydrogeology	29 years experience in the environmental field

Name, Title and Project Responsibility	Education, Registration	Experience
Robert Piekarz	MS, Civil & Environmental Engineering	21 years experience in the environmental field
James Murphy	BS, Environmental & Natural Resources MS, Hydrology	13 years experience in the environmental field
Jacobs Engineering Group Inc.		
Jim Clarke, AICP Project and EIS Manager, Final EIS Document Reviewer	BA, History MURP, Urban and Regional Planning AICP Registered Planner	25 years experience in environmental planning
Gina McAfee, AICP Director, Draft EIS Document Reviewer	BS, Landscape Architecture AICP Registered Planner	31 years experience in NEPA analysis
Kevin McDermott Land Use and Zoning, Social and Economic conditions, Environmental Justice, Farmlands, Section 4(f) Evaluation, Draft EIS	BS, Natural Resource Recreation and Tourism, Park and Protected Area Management MA, Urban and Regional Planning	7 years experience in NEPA analysis
Aliina Fowler, AICP Land Use, Social Resources, Economic Resources, Environmental Justice, Right-of-Way and Relocations	BA, Political Science BS, Community Development & Applied Economics MURP, Urban and Regional Planning AICP Registered Planner	5 years experience in environmental planning
Misha Seguin Wildlife, Vegetation, Threatened and Endangered Species	BS, Environmental Science	17 years experience in biology and environmental science
Melissa Osborn Wildlife, Vegetation, Threatened and Endangered Species	BA, Biology	8 years experience in biology and environmental science
Francesca Tordonato Wetlands, Vegetation, Wildlife, Threatened and Endangered Species, Draft EIS	MEPM, Masters Environmental Policy and Management BA, Environmental Studies	9 years experience in NEPA analysis
Dan Soucy Wetlands, Water Resources, Floodplains, Vegetation, Wildlife, Threatened and Endangered Species	BS, Wildlife Biology	13 years experience in biology and environmental science; 10 years experience in NEPA analysis
Jennifer Bassett-Hales Cumulative, Wetlands, Water Resources, Floodplains, Draft EIS	BA, Public Policy, Management, and Planning	15 years experience in environmental planning
Sandy Beazley Water Quality, Floodplains, EIS document preparation, Draft EIS	BS, Environmental Science MS, Environmental Science	5 years experience in environmental planning
Misty Swan Cultural Resources, Bicycle/Pedestrian Facilities, Parks and Recreation, Visual Assessment, Section 4(f), Section 6(f), Comments and Coordination, Farmlands, Technical Editor, EIS document preparation	NEPA, Section 106, and Section 4(f) continuing education courses	27 years experience in NEPA document preparation
Diane Yates, RLA Visual Assessment	BS, Landscape Architecture RLA (New Mexico, California)	32 years experience in visual assessment

Table 7-1. List of Preparers

Name, Title and Project Responsibility	Education, Registration	Experience
Dana Ragusa Noise, Air Quality, Energy, Hazardous Materials	BS, Environmental Studies	15 years experience in noise and air quality analyses and environmental planning
Derek Velarde, PE Hydraulics and Hydrology, Conceptual Drainage Report preparation, Draft EIS	BS, Civil Engineering	6 years experience in hydraulics and hydrology engineering
John Karachepone, PE Traffic Engineering Manager	BE, Civil Engineering MS, Civil Engineering	24 years experience in traffic engineering and transportation planning
Cigdem Mulazimoglu, PE Traffic operations analysis	BS, Civil Engineering MS, Civil Engineering	9 years of experience in traffic engineering
Samuel Ahiamadi, PhD Traffic operations analysis	BS, Civil Engineering MS, Civil Engineering PhD, Civil Engineering	8 years experience in traffic engineering
Chris Primus Travel Forecasting, Draft EIS	MS, Transportation MS, Computational Mathematics BA, Mathematics	16 years experience in transportation planning and travel forecasting
Keith Borsheim Traffic Operations, Transportation Planning, Draft EIS	BA, Bachelor of Environmental Design	9 years experience in transportation planning
Jim Krogman Engineering	AS, Civil Engineering	32 years experience in civil engineering
Christopher Martinovich, PE Alternatives Development, Project Engineering and Design, Transportation, Bicycle/Pedestrian Facilities, Right-of-Way, Socioeconomic	BS, Civil Engineering Registered Professional Engineer	8 years experience in roadway engineering and design
Ben Taylor, PE Design	BS, Civil Engineering	12 years experience in roadway design
Karen Rhea Graphic Design	BFA, Commercial Art	19 years experience in graphic design
Andy Priest GIS Specialist	BA, Natural Resource Management	13 years experience in GIS and environmental planning
Mary Speck Technical Editor, Draft EIS	BA, Foreign Languages	28 years experience in technical editing and writing
Jeremiah Johnston Technical Editor	BA, Communication Studies MA, Divinity MA, Theology	12 years experience in technical editing and writing
CH2M Hill (acquired by Jacobs 12/17)		
Cindy Potter, PE Engineering Manager	BS, Civil Engineering Registered Civil Engineer, NV, CA	33 years experience in transportation planning and design
Kaci Thomas, PE Project Engineer	BS, MS, Civil Engineering Registered Civil Engineer, NV, CA, UT	16 years experience in transportation engineering
David Dodson, PE Project Engineer	BS, Civil Engineering PE, NV and UT	19 years experience in transportation engineering

Table 7-1. List of Preparers

Name, Title and Project Responsibility	Education, Registration	Experience
Aimee Morace, PE	BS, Civil Engineering Licensed Civil Engineer, NV, TX	12 years experience in transportation planning and design
Ken Greene Hazardous Waste	BS, Natural Resource Management, CHMM #11947	20 years experience in RCRA/CERCLA compliance and hazardous materials/waste management
Leslie Bonneau Public Involvement	BS, Public Administration	25 years transportation planning and public involvement
Mark Gallegos Project Assistant/Public Outreach Coordinator	Associate of Arts	9 years experience in Public Outreach for Transportation Planning and Construction Projects; 13+ years experience in employee and public relations
