SCORING CRITERION #1: Project Benefits/Safety Enhancement (5 points possible)

Is the project included in an adopted plan, study or program, or does it align with at least one stated goal of the Regional Transportation Plan or One Nevada Plan? Describe the context of the plan, study, or program (description must be consistent with goals selected on page 1).

Does the project provide traffic calming measures or safety measures that benefit non-motorized road users? If yes, please explain.

Does the project serve multiple modes of transportation? If yes, please explain.

Does the project provide connectivity to an existing regional transportation facility or provide clear benefits to the community according to the stated purpose of the TA Set-Aside Program? If yes, please explain.

SCORING CRITERION #2: Equity and Environmental Justice (2 points possible)

Is the project located in an area serving an Environmental Justice population as identified in Chapter 9 of the [2050 Regional Transportation Plan](#) (see pg 166)? Provide additional context about the area served by the project.

Does the project provide access to essential services, including medical, employment, or educational facilities? Please describe how access to each applicable service is provided.

SCORING CRITERION #3: Project Readiness (5 points possible)

Infrastructure Projects (respond to one of the following implementation scenarios)

Project would be relatively easy to construct and can be implemented within the next 12 months. The project does not require acquisition of right-of-way, utility relocation, and/or project meets the criteria for a categorical exclusion, according to 23 C.F.R. 771.117(c): Note: 30% design or equivalent documentation must be provided. Describe how project meets this criteria.

Project will likely take up to 36 months to construct. Project includes right-of-way acquisition, utility relocation, and/or the project will require an environmental assessment/impact statement. Describe how project meets this criteria.

Non-infrastructure Projects (respond to one of the following implementation scenarios)

Educational/outreach program is established and schools/partnerships have been identified. Project evaluation criteria is in place to measure program effectiveness. Project can be implemented within 12 months. Note: evidence of an educational/outreach program, communication about the program with schools and/or other partners, and project evaluation criteria must be included as a separate attachment. Describe how project meets this criteria.

Educational/outreach program will need to be developed, partnerships will need to be established and identified. Evaluation criteria will need to be developed to measure the effectiveness of the project. This project may take 24 months or more to implement. Describe how project meets this criteria.
