NINGÚN TEXTO, TWEET O LLAMADA VALEN UNA VIDA

La muerte de un solo peatón es demasiado. Maneje con cuidado y cuidemos unos de otros.

- Manejar o caminar distraído es peligroso.
- Guarde su teléfono cuando maneje o cruce la calle.
- Utilice las banquetas o cruces de la calle.
- Haga contacto visual con los conductores antes de cruzar en frente de ellos.
- Use ropa para que lo vean. Use colores brillantes y equipo de reflector para que sea más visible para los conductores.
- Caminar tomado es peligroso... tome el autobús, llame a alguien o comparta auto con alguien si está tomado.
