The Reno, Sparks and Washoe County region was recognized in 2015 as a bike friendly community by the League of American Bicyclists at the bronze level. The Truckee Meadows first received this designation in the fall of 2011.

The RTC was recognized for its efforts to encourage everyone, including its employees, to choose sustainable and healthy modes of travel. The RTC was designated a Bike Friendly Business by the League of American Bicyclists at the silver level in 2016.

This map depicts paths with paved surfaces only. See http://www.washoecounty.us/parks/ParkTrailMaps for more information on other bike trails within the Truckee Meadows.

The RTC recommends that you conduct your own safety, maintenance and travel investigations.
The RTC SMART TRIPS program assists businesses and citizens at large in using sustainable modes of transportation and trip-reduction strategies. Visit the RTC SMART TRIPS section of rtcwashoe.com for additional information on bicycling resources to keep you motivated and safe.

The Bike Buddy trip-matching service at rideitmatch.com will help you find other bicyclists who live and work near you. You can easily look for matches for trips you make regularly (such as to work) and also trips you make only occasionally (such as to a sporting event). New bicyclists can connect with more experienced bicyclists to gather tips, while experienced bicyclists can find new friends to ride with or novice bicyclists to assist. You can also look for camps, workshops, and bike buddies on the website. Use the website’s commuter calendar to track your trips by all sustainable modes to see exactly how RTC SMART TRIPS saves you money and improves air quality in the region. For more information, go to rtcwashoe.com, click on Public Transportation and look for RTC SMART TRIPS.
