SUPPLEMENTAL QUESTIONS

On a separate sheet of paper from other application materials you upload, please respond to the following:

1. Describe any experience you may have in working with project plans, specifications, and permits for projects.
2. Describe a project that you have worked on specifically detailing what your role was including any special tasks or assignments.

Submission of your answers to the supplemental questions is **MANDATORY** and your application WILL NOT be considered without them. Lack of experience in a particular area may not necessarily bar you from continuing in the recruitment process. For each question, please indicate the name of the company, your position, and the name and telephone number of someone we can contact to verify the information.

ABOUT THE PROCESS: Applications will be evaluated to determine those candidates whose background and experience most closely meet the agency's needs. The most qualified candidates will be invited to participate in the next phase of the examination process, a panel interview, which may include assessment exercise(s), to demonstrate possession of required knowledge, skills and abilities.
