There were no public comments.

ITEM 4. APPROVAL OF THE JULY 7, 2022 MEETING MINUTES

The TAC July 7, 2022, meeting minutes were approved as submitted.

ITEM 5. ACKNOWLEDGE RECEIPT OF A PRESENTATION ON THE CITY OF RENO MICROMOBILITY PILOT PROJECT

Sara Going, RTC Engineer Project Manager and Catie Harrison, COR gave a presentation on the City of Reno Micromobility Pilot Project. A copy of the Power Point presentation is on file at the RTC Metropolitan Planning Department.

Craig Petersen, WCHD-AQMD asked about the data on micro-modes replacing the vehicle trips. Sara Going, RTC Engineer Project Manager, stated there is no confirmed data before the pilot program however; there is a pre-project data collection period and the patterns will show up with the micro-mode user trips. Craig Petersen commented with the reduction of lanes in downtown Reno it is causing traffic congestion and idling which, could be detrimental to the air quality in the downtown area. Sara Going, RTC Engineering Project Manager, stated the pilot program is a temporarily configuration for downtown Reno. Kyle Chisholm, WCSD, gave comments on the downtown vertical delineators and he would like to see the bike rail as an alternate. Candace Stowell, RSIC requested crash data that will be collected for the pilot project. Sara Going, RTC Engineer Project Manager, stated a LIDAR assisted study is used and there will be periods of the LIDAR study before the project and previous crash data can be utilized for the pilot project.

Kyle Chisholm made a motion to acknowledge receipt of a presentation on the City of Reno Micromobility Pilot Project.

Craig Petersen seconded.

The motion carried unanimously.

ITEM 6. DEVELOPMENT UPDATES

Julee Olander, WC gave an update on the masterplan zone change for the Donavon pit at Calla de La Plata approved for residential zoning.
