

REGIONAL TRANSPORTATION COMMISSION

Metropolitan Planning • Public Transportation & Operations • Engineering & Construction

Metropolitan Planning Organization of Washoe County, Nevada

POSITION ANNOUNCEMENT OPEN COMPETITIVE RECRUITMENT ENGINEERING MANAGER SALARY RANGE: \$95,596.80 -- \$141,835.20

Filing deadline: 5:00 P.M. Friday, June 9, 2023

THE REGIONAL TRANSPORTATION COMMISSION (RTC) OF WASHOE COUNTY, NEVADA, an integrated transportation agency that serves as the Metropolitan Planning Organization (MPO), transit authority, and street and highway construction agency invites applications for the position of **Engineering Manager**. The incumbent will report to the Director of Engineering and will manage technical engineering projects in design, construction and maintenance of transportation systems.

Under limited supervision, the incumbent manages the technical engineering programs and oversight of contractors and consultants in the planning, design, construction of transportation systems and other system improvement projects; coordinates assigned activities with other departments and outside agencies; participates in agency and community outreach activities; and provides highly responsible and complex administrative support to the Engineering Department Director.

MINIMUM QUALIFICATIONS: Graduation from an accredited college or university with a Bachelor's Degree in Civil engineering or a closely related field; and six (6) years of progressively responsible professional engineering experience as a licensed engineer including three (3) years of supervisory experience; OR any equivalent combination of education and experience that provides the required knowledge, skills and abilities. Current registration as a Professional Civil Engineer required with ability to obtain registration as a Professional Engineer in the State of Nevada within one year of hire. Valid Nevada driver's license required.

PREFERRED QUALIFICATIONS: The ideal candidate will have extensive experience in managing the delivery of projects, a detailed understanding of engineering programs, and be an effective team leader. In addition, the ideal candidate must have excellent verbal and written communication skills, and a collaborative approach to working with others.

HOW TO APPLY: A resume, letter of interest including an explanation of experience, leadership skills and technical expertise, and responses to supplemental questions must be received by 5:00 P.M. on June 9, 2023. The supplemental questionnaire is on the second page of this announcement. Please submit resume, letter of interest and supplemental question responses by emailing jobs@rtcwashoe.com.

ENGINEERING MANAGER SUPPLEMENTAL QUESTIONNAIRE

On a separate sheet(s) of paper, please answer each of the following questions. Submission of your answers to the following questions is **MANDATORY**, and your application **WILL NOT** be considered without them. Lack of experience in a particular area may not necessarily bar you from continuing in the process.

1. Describe your experience with the development of policies, standards, and guidelines.

2. Describe your experience leading team members and provide an example of successfully managing conflict in the workplace.

3. Explain how your experience qualifies you for the Engineering Manager position.
